Dear Distinguished Colleagues, Esteemed Speakers, and Friends,
It is my great pleasure to welcome you to **ASLS Bangkok 2026**.

This year, we gather under the theme **“Bigger, Bolder, and More Ground-breaking Than Ever!”**—a reflection of ASLS’s continued growth and our commitment to advancing the field of aesthetic medicine. This conference marks another important milestone for ASLS, bringing together **distinguished speakers and valued industry partners from across Asia and many countries around the world** to share knowledge, exchange ideas, and explore the future of aesthetic medicine.

The field of aesthetic medicine continues to reach new heights through advances in technology and innovative treatment approaches. **ASLS Bangkok 2026** will serve as a meaningful platform for sharing the latest knowledge and clinical experiences while exploring the future direction of our industry together.

Over the years, ASLS has grown into one of Asia’s leading academic communities in aesthetic medicine. Through the participation and support of distinguished speakers, industry partners, and medical professionals from around the world, ASLS has established itself as a network that promotes education, innovation, and international collaboration. It is truly meaningful to continue this journey of growth together with all of you.
